PURPOSE AND AUTHORITY

House Bill Number 33, dated Thursday, February 23, 1978, was enacted by the General Assembly of the Commonwealth of Kentucky to create a new section of KRS 68 for the purpose of sound and efficient administration of county government. Also, in 1986 Senate Bill 352 amended KRS 68.0056 to include among other things an annual review of the county administrative code.

One section of KRS 68 states in part that:

The fiscal court shall adopt a county administrative code, which includes, but not limited to, procedures and designation of responsibility for:

1. General Administration of the office of County Judge/Executive, county administrative agencies and public authorities;
2. Administration of county fiscal affairs, including budget formulation, receipt and disbursement of county funds and preparation of records required for the county audit, and for filing of claims against the county;
3. Personnel administration, including description and classification and non-elected positions, selection, assignment, supervision and discipline of employees, employee complaints and the county affirmative action program;
4. County purchasing and award of contracts; and
5. Delivery of county services.

The Fiscal Court shall review the county administrative code annually during the month of June and may by a two-thirds majority of the entire Fiscal Court amend the county administrative code at that time. The County Judge/Executive may at other times prepare and submit amendments to the code for the approval of a majority of the Fiscal court (KRS 68.005).

The County Judge/Executive, as the chief executive officer of the county, is directly responsible for the organization and management of the administrative functions of county government. While it is the fiscal court, which determines county needs and

policies and priorities for meeting those needs, it is the Judge/Executive who must see that these policies and priorities are effectively and properly executed.

It should be noted, this code (all parts) is not a contract and is not intended to be such. This code provides a comprehensive tool for administration that is consistent with statutory requirements. This code provides limitations, general rules, guidelines, etc., as well as the desires of the community as represented by the members of the Fiscal Court.

CHAPTER 1

CHAPTER 3
PERSONNEL ADMINISTRATION
POLICIES AND PROCEDURES

Section 3.1 – General Provision

STATEMENT OF PURPOSE

- A. These policies help provide for the recruitment, development, and retention of the best employee for each position within the service of Pendleton County.
1. Recruiting, selecting, and advancing employees on the basis of their ability, knowledge, and skills, including open competition of qualified applicants for initial appointment.
 2. Establishing proper pay rates.
 3. Training employees, as needed, to assure high quality performance.
 4. Retaining employees on the basis of performance; correcting inadequate performance and terminating employees when appropriate.
 5. Assuring treatment of applicants and employees in all aspects of personnel administration without regard to political affiliation, disability, race, color, age, national origin, sex, religion or any other status protected by applicable law.
 6. Assuring that employees are protected against coercion for partisan, political purposes and are prohibited from using their official authority for the purpose of interfering with or affecting the results of an election of a nomination for office.

ADMINISTRATION OF THE PLAN

- A. Pursuant to KRS 67.710 the County Judge/Executive is the chief executive of the county. The County Judge/Executive, by law, shall have all the powers and perform all the duties of and executive and administrative nature vested in, or imposed upon the county or its fiscal court. The Judge/Executive is responsible for the proper administration of the affairs of the county placed in his charge. Pursuant to KRS 67.710(7), the County Judge/Executive, with the approval of the fiscal court, has the authority to appoint, supervise, suspend, and remove county personnel, unless otherwise provided for by state statute. Notwithstanding the provisions of KRS 67.710(7), KRS 67.711(1) gives the County Judge/Executive express authority to hire a Deputy County Judge/Executive, and a reasonable number of other assistants, secretaries and clerical workers to work within the Judge/Executive's office, who

shall serve at his/her pleasure. The Fiscal Court, pursuant to KRS 64.560(4), is required to fix reasonable compensation for these positions.

The County Judge/Executive is hereby designated as the county personnel administrator. In this capacity the Judge/Executive may delegate such duties and functions, as he/she deems appropriate. The County Judge/Executive is also the Executive Authority for the county government of Pendleton County, as such title is used herein. The Judge/Executive may delegate such duties and functions, as he/she deems appropriate.

B. Interpretation and Employment Relationship

These policies are intended to provide some guidance on many personnel problems and actions, which may arise. These policies are not an employment contract. Unless a statute indicates otherwise, employment with the County is at-will. This means that employees may terminate their employment at any time for any reason without breaching an "employment contract," just as the County can do the same. County employees acquire no property rights in or to their employment with the County. Because the policies are not an employment contract, the County can modify and interpret them at any time. However, the only way the County may modify at-will employment would be to execute a written contract signed by the employee and a County Official authorized to contract on behalf of the County. Currently, statutes in Kentucky modify the employment relationship for some police personnel, but other employees remain at-will. The policies in this handbook do not supersede federal or state law. Accordingly, the County police merit board and their rules govern where they conflict with these policies.

SCOPE OF COVERAGE

A. The following county employees are expressly exempted from coverage:

Generally, the Pendleton County Fiscal Court believes in the application of progressive discipline. However, the county reserves the right to skip any step or requirement in the disciplinary action sequence outlined below depending on the severity of the misconduct

or when the facts or circumstances otherwise warrant. Further, it is also noted that in establishing the following disciplinary procedures it is specifically **not** the county's intention to create any employment situation that compromises its at-will employment status. As expressly stated in these policies' *Statement of Purpose*, nothing in these policies is intended to create a contract of employment. Any individual may voluntarily leave employment or may be terminated by the county at any time, for any lawful reason, or for no reason at all. Any oral, written statements, custom or course of dealing to the contrary are hereby expressly disavowed.

When an employee fails to follow any rule, regulation, operating procedure or job requirement, one of the following measures shall apply, depending upon the circumstances involved and the severity of the offense:

A. Verbal Warning

1. In the case of a minor infraction, the immediate supervisor or department head shall administer the verbal reprimand as soon as possible after the offense.
2. The date of the verbal reprimand, along with a description of the occurrence which prompted the reprimand and any comments the employee may have made, shall be noted by the person giving the reprimand in his/her own supervisory file.

B. Written Warning

1. In the case of either a second minor infraction or a more serious first infraction, the immediate supervisor or department head shall give the employee written warning specifying the reason(s) for such warning and noting any previous verbal and/or written warnings.

3. The employee shall sign the written warning or the warning shall be signed by a witness; a copy of the written warning shall be forwarded to the Personnel Officer to be placed in the employee's personnel file.

C. Suspension

1. After either a serious violation or repeated minor violations, the supervisor or department head shall request, in writing, that the Executive Authority, suspend the employee with or without pay. The request shall include the reason(s) for the suspension, if any, along with details of previous disciplinary actions taken against the employee if any.

2. The Executive Authority may suspend an employee for any period up to and including for (4) calendar weeks, depending upon the severity of the offense.

4. When an employee is suspended, the Judge/Executive shall present the suspension and reasons for suspension to the Fiscal Court for review and approval at the next meeting date of the Fiscal Court. Other Constitutional Officers may also exercise this authority.
5. Employees suspended without pay for a period of four (4) calendar weeks shall not accrue sick and vacation time while suspended.

D. Suspension With Pay

In a situation where the county has become aware of alleged misconduct by an employee which, if substantiated, could result in disciplinary action, the appointing authority may suspend the employee **with** pay if it is determined the action is necessary to assure public confidence in governmental oversight of its employees, or to assure the integrity of county's inquiry into the allegations.

In the event it is necessary to suspend an employee with pay, the following procedures shall be observed:

1. The county shall, if possible, immediately provide verbal notification to the employee, followed by written notification, within three (3) working days, informing him/her of the suspension and the nature of the allegations being investigated.
2. Consistent with existing personnel procedures, the county shall immediately begin an investigation into the allegations against the employee. This investigation shall be carried out expeditiously, and in no instances shall it be delayed beyond what is considered reasonable and necessary to conduct a complete investigation.
3. Upon reaching a determination as to the culpability of the employee, the appointing authority shall take action, as follows:
 - a. In the event the allegations against the employee are valid, the appointing authority shall invoke disciplinary action as deemed appropriate. These actions shall not include payment of wages in the event the suspension is extended beyond the investigative period; or

- b. In the event the allegations against the employee are proven to be false, the employee shall immediately be reinstated to his/her position.
4. During the time an employee is on suspension with pay he/she is considered to be performing services for the county. Therefore, the employee must remain available to return to work within 24 hours of receiving written or verbal confirmation of his/her reinstatement from the appointing authority. In the event the employee is notified of this reinstatement verbally, the county shall provide written verification within one (1) working day.
5. Nothing in this policy or procedure should be construed as limiting the authority of the local government to suspend an employee **without** pay in those instances where such action is deemed appropriate.

E. Dismissal

1. When an offense is repeated, or misconduct is serious enough for discharge on the first offense, a supervisor or department head may recommend dismissal of any employee. 3. The employee's meeting with the personnel committee shall be held within five (5) working days after receipt of the employee's request, excluding the day it was received.
4. The meeting is informal. It gives the employee the opportunity to respond to charges contained in the Letter of Intent to Dismiss.
5. Within five (5) working days, excluding the day of the meeting, the Personnel Committee shall make a recommendation to the Pendleton County Fiscal Court, which shall make a final determination on the termination. CHAPTER 4

POLICIES

Section 4.1 Drug and Alcohol Policy

PURPOSE

Pendleton County Fiscal Court is committed to providing a safe and healthful work environment for its employees and to conduct all operations in a safe and efficient manner. Safety in all facets of the operation is our number one consideration. The use of alcohol or illegal drugs in the workplace is incompatible with a safe work environment. Alcohol and drug abuse can adversely impact an employee's overall productivity and absenteeism.

Our goal is to strive for a work environment that is free from the effects of alcohol and illegal drugs. To achieve this goal, employees may be required to submit to alcohol and drug testing. The use of alcohol and drugs will not be tolerated in the workplace under any circumstance.

Because of the foregoing, Pendleton County Fiscal Court has developed this policy on alcohol and illegal drugs to maintain a drug and alcohol free workplace. This policy applies to all employees of the Pendleton County Fiscal Court, including but not limited to management-level employees.

COMPLIANCE WITH THIS POLICY IS A CONDITION OF EMPLOYMENT

ALCOHOL AND ILLEGAL DRUG WORK RULES

1. An employee should never report to work under the influence of alcohol or illegal drugs.
2. No employee may use, sell, distribute, possess, or receive alcohol or illegal drugs while on the job, on county business at any location, on county property or in county vehicles at any time (including during paid and unpaid meal periods during working hours.)

3. The distribution or sale of illegal drugs at any time or any place will result in immediate discharge.
4. Any employee who attempts to alter a drug or alcohol-testing specimen or otherwise manipulate the drug or alcohol testing process is subject to disciplinary action up to and including termination of employment.
5. Any employee refusing or failing to comply with the drug-testing program will be considered as having voluntarily terminated their employment with the Pendleton County Fiscal Court.

PRESCRIPTION AND OVER-THE-COUNTER DRUGS

Employees should be aware that the use of certain prescription or over-the-counter drugs could also affect their ability to properly perform their job duties or create a risk to themselves or others. Therefore, employees are responsible to report such use to their immediate supervisor if the employee has been warned that the therapeutic use may affect the employee's ability to perform job functions or create a safety risk to the employee or others. Employees should keep all prescribed medication in its original container, which identifies the drug, the date of the prescription, and prescribing doctor or be able to provide such information upon request. The supervisor will then decide if the employee should be actively working.

DRUG AND ALCOHOL SCREENING

PRE-EMPLOYMENT SCREENING/CONDITIONAL OFFERS OF EMPLOYMENT.

An offer of employment to any individual will be conditioned upon that individual passing a drug screen test. Should an individual refuse to take the test or fail the test, the offer of employment will be withdrawn.

EMPLOYEE DRUG AND ALCOHOL SCREENING

Employees may be required to submit to drug and alcohol screening test(s) under the following circumstances:

1. State or Federal regulations require drug and/or alcohol screening. Such testing will be performed in conformance with the relevant law.
2. Where Pendleton County Fiscal Court determines there is reasonable cause to believe that an employee is using, selling, distributing, in the possession of or under the influence of alcohol or illegal drugs on the job, where Pendleton County Fiscal Court determines there is a reasonable cause to believe that the use of alcohol or drugs has adversely affected an employee's job performance, had an adverse impact on Pendleton County or resulted in the employee jeopardizing the safety or property of other employees, personnel or the public.

3. Post accident – when an employee has been involved in a workplace accident, which has resulted in injury or property damage.
4. All employees may be tested from time to time for the presence of illegal drugs. Appointments for such testing will be arranged at random by the testing facility.

TESTING PROCUDURES/CONFIDENTIALITY

TESTING METHODOLOGY

Pendleton County Fiscal Court shall ensure that drug and alcohol screening shall be conducted at a certified laboratory and through methods with proven reliability and in strict compliance with appropriate methodology.

The laboratory will employ a split sample testing procedure. If the employee contests the results of the test, the split sample shall be tested as confirmation, at the employee's cost. If the testing laboratory indicates that the specimen integrity is in question, the employee will be re-tested in the absence of medical justification. A second questionable specimen will be treated as a positive result.

CONSENT FORM

Employees will be required to sign a consent form agreeing to submit to a drug and alcohol-screening test at the time the test is administered. These forms will be maintained on file with the testing facility. Refusal to sign a consent form will be considered refusal to take the test, and the employee will be considered to have voluntarily terminated his/her employment with the Pendleton County Fiscal Court.

CONFIDENTIALITY

All records and information regarding the administration and results of drug and alcohol screening results will be confidentially maintained and access permitted only to those specifically designated by management with need to know.

DISCIPLINE

Any employees, who as the result of drug and/or alcohol screening or random testing, if found to be under the influence of alcohol or illegal drugs will be considered to be in violation of this policy, regardless of when or where the substance entered the employee's system. Employees found to be in violation of any portion of this policy shall be subject to disciplinary action up to and including termination.

ARREST OR CONVICTION FOR A DRUG RELATED OFFENSE

If any employee is arrested on company property for drug or alcohol abuse or for drug related offenses (except sale or distribution of illegal drugs) and returned to work pending

resolution of the arrest (acquittal, conviction or plea) he/she will be subject to an immediate drug or alcohol screening test upon return to work. If the employee refuses the test, he/she will be considered to have voluntarily terminated his/her employment. If he/she submits to the drug or alcohol screening test and the result is negative, the employee will be returned to work pending resolution of the charges. If the drug or alcohol-screening test is positive, the employee will be suspended without pending resolution of the arrest (acquittal, conviction or plea).

Any employee arrested for drug or alcohol related reasons while not on company property or company business must report the arrest to his/her immediate supervisor. If the arrest is not reported, the employee is subject to discipline up to and including discharge from Pendleton County employment.

The provision above shall not apply to employees arrested for the sale or distribution of illegal drugs as defined herein: any employee determined to be selling or distributing illegal drugs at any time or place shall be subject to immediate discharge.
